

# November 2024

| Sunday | Monday | Tuesday  | Wednesday | Thursday                  | Friday | Saturday |
|--------|--------|--|-----------|---------------------------|--------|----------|
| 27     | 28     | 29   | 30        | 31                        | 1      | 2        |
| 3      | 4      | 5  | 6         | 7                         | 8      | 9        |
| 10     | 11     | 12   | 13        | 14                        | 15     | 16       |
| 17     | 18     | 19   | 20        | 21                        | 22     | 23       |
| 24     | 25     | 26   | 27        | 28<br>THANKSGIVING<br>DAY | 29     | 30       |
| 1      | 2      | <p>Notes - There are 54 weekly Torah Portions with their divisions corresponding to the Hebrew lunisolar calendar which contains up to 55 weeks. There will be weeks when a weekly Torah portion comes on a High Holy Day at which time the Torah portion will be postponed to the following week/weeks to accommodate the high Holy Day. *Asterick indicates the Torah chapter/verse numbering are taken from the Hebrew Bible (Christian published chapter/verse numberings are indicated within the parenthesis).</p> |           |                           |        |          |
